

## Lac du Flambeau Tribal Update regarding upcoming Halloween Trick or Treating as of 10.06.2020

The Tribe approved resolution 225(20) which cancelled all community events until further notice- which effects the traditional door to door trick or treating and/or other large gathering events.

Due to the current Covid-19 Pandemic cases and the high-risk exposure that will occur - trick or treating is cancelled within the Lac du Flambeau Indian Reservation.

We are following recommendations from our community health, ICS and CDC recommendations. Covid19 is community spread throughout the state in every town and county. <https://www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/holidays.html#halloween>

Although, it is unfortunate that some of the surrounding communities will continue to allow for this activity we are discouraging everyone not to participate in such a high risk covid-19 exposure event.

Act as though everyone including yourself has the virus and can spread it. Stay home, safe distance, sanitize and wash hands.

We encourage alternative safe activities within your own household and we will keep you posted on potential tribal alternative events that may take place. Miiigiwich!! Be safe! ICS Team
