Dear Head Start Parent/Guardian,

Due to several recent positive COVID-19 cases and subsequent quarantine orders amongst Head Start staff and students, all classes will be closed temporarily through Friday December 4th, 2020. Normal operations will resume Monday December 7th, 2020.

It was determined in conference with the Lac du Flambeau Tribal Administration and Incident Command Team that an extended closure is a necessary precaution to prevent continued and/or additional spread of the virus. Office and custodial staff will be on site on a limited basis and the entire wing will be deep cleaned and disinfected prior to the scheduled student return date.

As we encounter increased spread of the virus in our community and the upcoming holiday weekend, please be mindful of recommendations to limit the spread and take all necessary precautions such as avoiding large gatherings and prolonged contact with any non-household members, especially those at high risk for illness and complications.

We apologize for any inconvenience this may cause and thank you for your patience and understanding during this time. If you would like more information or have questions surrounding this notice, please do not hesitate to contact us at 715-588-9291 or twolfe@ldftribe.com

Warm Regards,
