RFP NO. 26-PCHC-726

1. PURPOSE

The Peter Christensen Health Center (hereinafter referred to as "PCHC") is a comprehensive health care facility owned and operated as a Tribal entity by the Lac du Flambeau Band of Lake Superior Chippewa Indians (hereinafter referred to as the "Tribe"), a federally recognized Indian Tribe organized under a constitution and bylaws pursuant to the Indian Reorganization Act, 48 Stat. 984, 25 U.S.C. § 5123 *et. seq.* PCHC is located at 129 Old Abe Road in Lac du Flambeau, Wisconsin and is part of the Bemidji area Indian Health Services. PCHC provides full healthcare services that include general medicine/family practice, geriatrics, pediatrics, audiology, podiatry, optometry services, health information management, immunizations, laboratory, nutritional counseling, full-service pharmacy, physical/occupational therapy, chiropractic, prenatal care, radiology including mammograms, ultrasound, mobile CT/MRI and administration and support services.

As a modern clinic PCHC relies heavily upon computer and information technology. A number of years ago PCHC discontinued the use of stand alone computers in favor of a virtual computer environment which currently utilizes LG Zero Clients at all work stations. The time has now come for an upgrade to a more secure virtualization platform, to increase efficiency and better protect patient and clinic information. PCHC will migrate to AHV in approximately 2 months. Unfortunately, the LG Zero Client devices currently in use will not support AHV, so the upgrade will necessitate acquisition and installation of compatible Zero Client devices.

The purpose of this Request for Proposals (hereinafter referred to as the "RFP") is to solicit bid proposals from qualified, reputable, independent distributors for provision and delivery of 140 brand and model specific Zero Client devices and 3 brand and model specific Thin Client devices.

It is anticipated that this RFP will result in a single contract being awarded to a vendor insured and authorized to conduct business in the State of Wisconsin. The successful bidder will be expected and required to adhere to every term of this RFP and the contract between the parties and perform the required functions with expertise, knowledge and capability with minimal monitoring by PCHC. This RFP does not commit PCHC to accept any proposal submitted. PCHC reserves without limitation the right to reject any or all Bids; the right to accept or reject any or all items in any proposal; and the right to accept or reject all incomplete, nonconforming, nonresponsive, unbalanced, obscure, or conditional Bids, or Bids which contain additions not called for, erasures, alterations, or irregularities of any kind, or which do not comply with the instructions to Bidders set forth throughout this RFP. The lowest bidder may not be the successful bidder. PCHC reserves the right to select the bidder whose proposal and qualifications are most advantageous to PCHC. PCHC reserves the right to negotiate with any and all bidders any and all parts of the proposals received, including, but not limited to, cost, scope of work, and other relevant details and to accept the proposal most advantageous to, and in the best interest of, PCHC. PCHC is not responsible for any costs incurred by the respondents in the preparation of responses to this RFP. The terms "vendor", "bidder," "contractor" and "respondent" are used interchangeably throughout this RFP and are intended to refer to a person or entity submitting, or intending to submit, a proposal in response to this RFP. Unless proscribed by the context, any reference in this RFP to "PCHC" shall include the Lac du Flambeau Band of Lake Superior Chippewa Indians.

2. RFP ADMINISTRATIVE PROCEDURES
