

Lac du Flambeau Tribe Issues Storm Preparation Plans

LAC DU FLAMBEAU—FEBRUARY 21, 2023—The Lac du Flambeau Band of Lake Superior Chippewa Indians issued the following statement on its plans for the upcoming winter storm.

“With the upcoming predicted winter storm, we will continue to work to ensure the safety and general welfare of people within the exterior boundaries of the Reservation, including those affected by road closures.”

“All residents impacted by road closures have access to EMS services, propane, mail delivery, and waste disposal services. The Tribal Police have been contacting residents impacted by road closures and doing property checks regularly.”

“Our road crews will work round the clock if needed to ensure all roads stay open for emergency vehicle access, including the four closed roads. All of our plow trucks have the ability to monitor Fire/EMS channels. In the event of an emergency—including for residents residing on the four roads impacted by closures—our crews will work to provide fast access for responders.”
