

Lac du Flambeau Band of Lake Superior Chippewa Indians

**NOTICE TO EMPLOYEES:
CORONAVIRUS WORKPLACE POLICIES**

CORRECTED POLICY

REVISIONS EFFECTIVE: 04/08/2020

GOOD FRIDAY HOLIDAY EXTENDED TO FULL DAY

**CLINICS CLOSED FROM FRIDAY, APRIL 10
UNTIL TUESDAY, APRIL 14, 2020**

MANY APOLOGIES - THE PREVIOUS VERSION OF THIS POLICY CONTAINED INCORRECT CLINIC CLOSURE DATES. THE CORRECT POLICY IS AS FOLLOWS:

Although the regular Easter Holiday for Tribal employees consists of a half day on Good Friday and all of Easter Monday, Tribal Council has determined that the holiday weekend shall be extended to include all of Good Friday, so that as many Essential Employees as possible and all Off-Site Workers can enjoy additional time with their families. This means that the Peter Christensen Health Center and the Peter Christensen Dental Clinic will be closed from Friday, April 10th until Tuesday, April 14th.

Tribal Council reminds everyone that the Shelter at Home Order remains in effect, and it is more important than ever to abide by it, now that there are confirmed cases of COVID-19 in Vilas County and surrounding counties. We must be vigilant and do everything possible to protect our community - especially our Elders and those with underlying health problems. Please comply with the Shelter at Home Order and do not gather with others who are not members of your household. Abide by the 10:00 p.m. curfew, don't travel unless absolutely necessary, and practice Social Distancing. Be responsible - do not put your loved ones at risk.

Tribal Council wishes the community a safe and happy Easter.
