

March 18, 2020

In response to the global pandemic of COVID-19 Corona Virus the Aging Program will be CLOSING THE AGING ADMINISTRATIVE OFFICES for walk-ins effective immediately.

We highly recommend if you are 60 and older with an underlying chronic condition such as diabetes, heart disease, compromised immune system etc. **PLEASE STAY HOME** and away from public places with crowds. Wash your hands frequently, clean highly used areas frequently. Limit visitors. If you have visitors and they are sick please ask them to stay away. Have visitors wash their hands upon entering your home.

Meal Service Lorraine Wildcat 715-892-4638:

- 1. We will suspend meal delivery to our homebound Elders on <u>Monday, March 23, 2020</u>. We will deliver a 1 week supply of frozen meals for <u>your</u> consumption on Mondays. If you do not need these meals please call Lorraine.
- 2. We will have a curb side pick-up for all other Elders in need on Monday & Tuesdays 1:00 3:30 p.m.
- 3. If you cannot pick up please call Lorraine to have your frozen meals delivered.

Elder Utilities Program Leslie Johnson 715-892-1006:

- 1. We are allowing pictures of your bill to be sent from your cell phone to Leslie Johnson she will print your bill from her cell phone. You may also email, fax or your designee can drop your bill off in the drop box which is located outside the glass entry doors of the Aging Administrative offices or at the Tribal Center. We will collect bills from home bound participants as usual.
- 2. If you need propane, please call Leslie and she will authorize delivery as usual.

This is all a new experience, working from home, but be assured we are doing the best we can and your bills will be paid so please be patient.

If you do not have internet or have access to any of the daily news updates from our President Wildcat or Tribal Administration, please do not hesitate to call any of the numbers listed and we will do our best to answer your questions and assist you in any way we can.

We as Tribal people are very resilient and will survive with the help of one another, our family and our Tribal government. Please follow all recommendations. Be safe and stay healthy.
